**Arcoaire®
financing
that keeps
you in the
comfort
zone**

- Convenient to apply for and use
- Quick approvals—normally just minutes!
- No down payment options
- Flexibility advantage—no need to use savings or other credit lines
- Affordable monthly payments
- No prepayment penalty
- No annual fee

**The name to know
in convenient
financing**

When you choose the enduring performance of Arcoaire® heating and air conditioning products, you also get a comfortable, convenient way to buy with the Arcoaire Private Label Credit Program.

The Arcoaire Preferred Customer Card works like a credit card. In the short time it takes you to fill in the simple credit application, you may be approved for credit to be used within minutes. When you are approved, you can use it immediately for Arcoaire products and installation, and later for additional equipment or even service calls. It's so convenient. You can pay off your balance anytime or choose to make monthly payments according to terms in the agreement. You'll be surprised at how low those payments can be. Ask your Arcoaire dealer for details on the plan available to you.

**Buy today...with
no money down**

The Arcoaire Private Label Credit Program may give you an open line of credit—and you can apply for a no down payment plan when your purchase meets the minimum. And there are no prepayment penalties.

**Handy way
to finance
tomorrow's needs**

In most cases, your credit line will be greater than the initial purchase. You can then use the remaining credit to pay for maintenance, seasonal system checks, parts or other Arcoaire equipment like:

- Programmable thermostats
- Electronic air cleaners
- Humidifiers
- Extended warranties

**Applications are
fast and easy!**

Our credit application is quick and simple. You'll normally have a credit decision within minutes!
